: the condition of being successful or thriving

especially **:** economic well-being

Examples of *prosperity* in a Sentence

// a period of *prosperity* for our nation

2016_Legatum_Prosperity_Index_All_Data_2007-2016.xlsx

- 9 categories
    - Economy
    - Business
    - Education
    - Health
    - Safety and Security
    - Personal Freedom
    - Social Capital
    - Natural Environment

Each Category Sheet will have multiple columns

- Country
- Country number and code name
- Year (2007 - 2016)
- Rank
- Category Score
- Sub-category Year
- Sub-category Score

*Sub-categories are variables/values that contributed to the category ranking and total score during that particular year

Note :

1. Due to terms of the contract, we are not allowed to share data collected by Gallup World Poll, therefore these data are marked as "***".

2. Imputed data are specified as their year of collecting is marked as "--".

Time Range

2007 - 2016

Timespan of 10 years

- Each country has a total score and ranking for each category for each year
- Keep in mind the differences (climbing or dropping) of ranking of each country between each year in each category
